Chapter One

Author's Notes:
I was given the prompt \"Throne\" by BobbyBrown and we each did a take on it. My first drabble!

He sits on his throne, almost feeling as if the object itself recharges him with a mysterious power. The solid oak was far from cheap but something he easily paid for. He steps down onto the marble floor of his lavish palace, nearly in awe of all he's achieved. All who once taunted him now bowed to his every whim. His enemies used to laugh at him, now they only trembled with not only fear, but hard-earned respect and admiration. Metal Royalty: Sir Ronnie James Dio.

After all, he is the king of Rock N Roll. Long live the king.
